CIRCULAR LETTER NO. 75

Recapitulation of Items Currently Suspended from Issue and

Administration - - - - - Section I.  
Item 1612800, Typhus Vaccine, 20cc. - - - - - Section II.

SECTION I. RECAPITULATION OF ITEMS CURRENTLY SUSPENDED FROM ISSUE AND ADMINISTRATION.

1. Section I, Circular Letter No. 52, Off Ch Surg, subject as above, 19 June 1945, is rescinded.

2. Listed below is a recapitulation of all Medical items currently suspended from issue and administration. Commanding Officers of all Medical installations will take the necessary action to insure that none of the items listed below are administered to patients until such time as instructions are issued by this office declaring these items suitable for use. It is suggested that copies of this list be disseminated to all wards, dispensaries, pharmacies, and laboratories, with instructions to return all quantities of these items to the unit medical supply section where they will be segregated and frozen from issue until further instructions are forthcoming. When a final determination is made as to whether the above items are either suitable for use or are to be condemned, instructions will be immediately issued to all units to release for issue or survey the items as the case may be.
